

PRODUCT INFORMATION

Clone ID DM179 CLDN18.2 **Target** Claudin 18.2 **Synonyms**

Host Species Rabbit

PE-conjugated Anti-CLDN18.2 antibody(DM179); Rabbit mAb Description

Delivery 3-4 weeks **Uniprot ID** P56856 IgG type Rabbit IgG Clonality Monoclonal Reactivity Human

Applications Flow Cyt

Recommended Flow Cyt 1:100 **Dilutions**

Purified from cell culture supernatant by affinity **Purification**

chromatography

Formulation & Liquid PBS with 0.05% Proclin300, 1% BSA Reconstitution

Storage & Shipping Store at 2°C-8°C for 6 months

CLDN18 belongs to the large claudin family of proteins; which form tight junction strands in epithelial cells. **Background**
